Subject: upcoming National Environmental Justice Advisory Council meeting in Washington DC

Dear Assistant Administrators and Regional Administrator Servidio,

This email is to inform you that the National Environmental Justice Advisory Council (NEJAC) is planning an in person meeting in Washington DC for which I am requesting your participation. We are currently finalizing details regarding location, but the meeting will occur on May 1-2.

As this will be NEJAC's first Washington meeting during this administration, we will focus the agenda on engagement between NEJAC and EPA's senior program leadership and the leadership of Region 3. We have tentatively secured the participation of Acting Administrator Wheeler to open the meeting on the morning of May 1.

Attached to this email is a letter from the NEJAC Chair, Richard Moore, summarizing our last in person meeting in Boston and listing a number of issues that were raised at that meeting. This letter is currently in the Administrator's office, but I wanted to share it now to bring it to your attention and to begin the process of preparing for our upcoming meeting. The letter's issue list provides a sense of the scope and level of topics for which we will prepare you to participate in the NEJAC meeting. We will work with your respective EJ Coordinators on scheduling and more detailed preparations over the coming weeks. I look forward to working with you and your teams in the run up to this meeting.

Sincerely,

Matthew

Matthew Tejada
Director - Office of Environmental Justice
